

# Clarence Fitzroy Bryant College Application for Readmission

All students who were previously enrolled at the Clarence Fitzroy Bryant College who are seeking readmission into the **same** programme are required to complete an Application for Readmission and pay the associated fees.

The Application for Readmission should be submitted to the Office of the Registrar – Admissions and Registration Section no later than two weeks prior to the start of the Academic Year in which the student is being re-admitted.

**NOTE:** Students seeking readmission who have not attended CFBC within the last 5 years are required to re-apply with a standard CFBC application and submit all required supporting documents for the programme they wish to re-enroll.

The decision to readmit a student is the responsibility of the Admissions Office. However, this decision will be made in consultation with the Finance Department and Dean as the student’s background with the College will be taken into consideration. This will include, but is not limited to, the student’s academic record, immigration status, debts owed to the College and previous findings of academic or non-academic misconduct where applicable.
